- 7) Boghratian, **Mohammad Sadeghi H**, Fereshte nejad SM et al: Prevalence of Upper Gastroesointestinal Endoscopic Findings in Patients Referred to Firoozabadi Hospital from 1370 to 1380., Presented in 4th Annual Research Seminar of the Students of Universities of Medical Sciences.

Workshops (as instructor):

1) **“Principles of Research in Medical Sciences”**, More than 10 workshops

Medical students research committee, Iran University of Medical Sciences and Health Services

2) **“SPSS Software”**, 2 workshops

Medical students research committee, Iran University of Medical Sciences and Health Services

3) **“Sampling and Sample Size Estimation”**, 3 workshops

Medical students research committee, Iran University of Medical Sciences and Health Services

4) **“Questionnaire Designing”**, 3 workshops

Medical students research committee, Iran University of Medical Sciences and Health Services

National research projects:

- 1- Designing and pilot study for Persian version of World Health Organization Assessment Instrument for Mental Health Systems (WHO-AIMS)
- 2- Designing a pattern for urban mental health network (integrated in primary health care network in cities)

Memberships:

<i>2006 - 2007</i>	Member of Policy Making Committee of Medical Research (Deputy of Research and Technology – Ministry of Health and Medical Education)
<i>2005 - 2006</i>	Senior member of MSRC (Medical Students Research Committee) of Iran University of Medical Sciences and Health Services

<i>2000 – 2008</i>	Member of MSRC of Iran University of Medical Sciences and Health Services
<i>2008- Now</i>	Member of Iran Medical Council
<i>2010-2014</i>	Member of Iranian Psychiatry Association, Residents committee
<i>2014- now</i>	Member of Iranian Psychiatric Association
<i>2016- now</i>	Member of Psychotherapy Association, Inspector Substitute
<i>2016-now</i>	Member of Psychotherapy committee of psychiatric department (IUMS)
<i>2015-now</i>	Member of research committee of psychiatric department (IUMS)
<i>2016-now</i>	Member of Psychotherapy committee of Iranian psychiatric association

Awards:

<i>2001</i>	Medical Student Researcher of the year , given by Dean of Iran University of Medical Science and Health Services
<i>2005</i>	Award for Second Scientific Paper Congress of Gastroenterology and liver diseases
<i>2006</i>	Medical Student Researcher of the year , given by Deputy of Research and Education, Iran University of Medical Science and Health Services
<i>2007</i>	Medical Student Researcher of the year , given by Dean of Iran University of Medical Science and Health Services
<i>2012</i>	Best Honored Psychiatry Resident , given by Dean of Psychiatry Department- Tehran University of Medical Sciences (TUMS)

2014	Ranked 3 on the Psychiatry board exam , given by Minister of health
